

Kayaking

Kayak Club and Canoe Club

13+yrs

An excellent opportunity for certified participants to get out on the water without owning or storing a boat! Join the club and boats can be signed out for up to two hours during our regular hours of operation. Canoe Club members need RCABC Level 2 certification and Kayak Club members need to have successfully completed an Introduction to Kayaking program that includes solo capsized recovery, both within the past three years. An orientation is also required before getting started. *13 - 18 year olds need certification and must be accompanied by an adult with certification. Please ask at the office for more details.
