Contra Dance (19+ yrs)

Dance to live fiddle music, accompanied by guitar and marimba. No experience is necessary and participants don't need to bring a partner. Strangers feel free to ask each other to dance and change partners between dances. All dances are taught on the spot by a dance caller and the figures are similar to square dancing. It's good exercise. IT'S AN URBAN BARN DANCE! Doors open at 6:30pm. Kids under 12 are free (must be accompanied by an adult). Drop-in \$12. Sorry no registration.

25th Annual Winter Solstice Lantern Festival

A False Creek Community Association partnership with the Secret Lantern Society.

The winter solstice marks the longest, darkest night of the year. This dance of sun and earth has inspired celebrations of the human spirit throughout the ages, and our own Winter Solstice Lantern Festival illuminates the night with lanterns, fire, singing, dancing, music and storytelling and the famous candle labyrinth.
